Dear Mr. Ameresekere:

Thank you very much for the five books you sent me on fraud and accountability in Sri Lanka. I am amazed at the amount of effort and research that it must have taken to write these important works.

We are adding these to our Fraud Library here at the ACFE Headquarters in Austin, Texas. They are a worthy addition to our library, and I appreciate your sharing these with us. I look forward to sixth book when it is published.

It is heartening to know that we have members such as you, who give of their time and talents in the ongoing fight against fraud and corruption.

Best wishes in your continued success.

Regards,

James D. Ratley, CFE
